Equipping the Next Generation of English Language Educators with Global Pedagogy, Linguistic Insight, and Professional Mastery.

The Bachelor of Education (B.Ed.) in TESOL at East Bridge University (EBU) prepares aspiring educators with the expertise to teach English to speakers of other languages across diverse cultural, linguistic, and educational settings. This undergraduate B.Ed. programme combines foundational educational theory with contemporary TESOL methodologies, developing competent English teachers for the 21st-century classroom.

Our online B.Ed programme is offered through a **dual-degree academic collaboration with Preah Sihanoniraja Buddhist University (PSBU)**. PSB University is a renowned higher-education organisation in Cambodia, enhancing academic value, international recognition, and professional credibility for all our B.Ed. graduates.

Why Pursue an Online B.Ed. in TESOL?

- ✓ Master modern and evidence-based English teaching methodologies.
- ✓ Gain theoretical understanding in linguistics, language acquisition, and phonology.
- ✓ Build practical competencies in lesson planning, classroom management, and assessment practices.
- ✓ Develop digital literacy in effective language instruction suited for contemporary and international learning environments.
- ✓ Become a competent English educator by applying reflective teaching practice and action research.
- ✓ Benefit from the internationally recognised EBU-PSBU dual degree pathway.

Through a **balanced blend of theoretical learning and applied teaching practice**, the programme prepares graduates to enter the teaching field with confidence. The holistic curriculum also prepares students to pursue higher studies in the field of teaching and education, such as M.Ed., Applied Doctorate, or a PhD.
