Advancing Educators Through Rigorous Pedagogy, Reflective Practice, and Transformative Teaching Expertise.

The Master of Education (M.Ed.) with Teaching at East Bridge University emphasises advanced teaching techniques for professional and academic growth, along with practical exposure. It prepares candidates with contemporary methodologies for effective classroom instruction. The program enables educators to implement acquired knowledge in developing curricula and instructional strategies, utilising the latest learning and pedagogical theories. Through a blended learning approach, teachers gain skills to create engaging lessons tailored to diverse learners.

Why Pursue an **Online M.Ed. with Teaching?**

- ✓ Focused study of advanced instructional strategies and classroom practice.
- ✓ Insight into learner characteristics, behavioural management, and differentiated instruction.
- ✓ Exploration of assessment and evaluation techniques to improve learner outcomes.
- ✓ Opportunities to apply contemporary theories to real-world teaching challenges.
- ✓ Integration of digital literacy and 21st-century teaching tools.
- ✓ A capstone research experience that synthesises academic understanding with professional practice.

**EAST BRIDGE
UNIVERSITY**
PARIS, FRANCE

A M.Ed. with Teaching is perfectly suited for:

- ✓ Classroom teachers seeking deeper instructional mastery.
- ✓ Educators aspiring to leadership roles such as headteachers, coordinators, or department heads.
- ✓ Trainers and instructional designers working in educational settings.
- ✓ Teaching professionals aiming to integrate research into classroom practice.
- ✓ Educators preparing for roles in curriculum development, school improvement, and educator mentorship.
