Master of Social Sciences in International Relations

MASTER OF SOCIAL SCIENCES

in International Relations

Master the art of global diplomacy, strategic negotiation, and international policy-making with our Master of Social Sciences in International Relations, where critical thinking meets practical solutions to shape the future of global cooperation and leadership.

Today's hyper-connected and ever-changing global stage demands that international relations practitioners be knowledgeable about the complexities of diplomacy, policy, and worldwide partnership to address the complexities of issues in the contemporary era. From global warming and armed conflicts to humanitarian crises and economic uncertainty, the world needs capable leaders who can navigate these multi-faceted issues with decisiveness and integrity. At East Bridge University, our program is designed to equip learners with the theoretical foundations of international relations, combined with practical skills in negotiation, global governance, and strategic analysis. A successful career in international relations requires the ability to blend political acumen with cultural sensitivity, enabling professionals to build bridges across nations and drive meaningful global impact.

WHY PURSUE A

Master of Social Sciences in International Relations?

- Decode global conflicts and apply diplomatic strategies to real-world scenarios.
