Master of Social Sciences in Political Science and International Relations

MASTER OF SOCIAL SCIENCES

in Political Science and International Relations

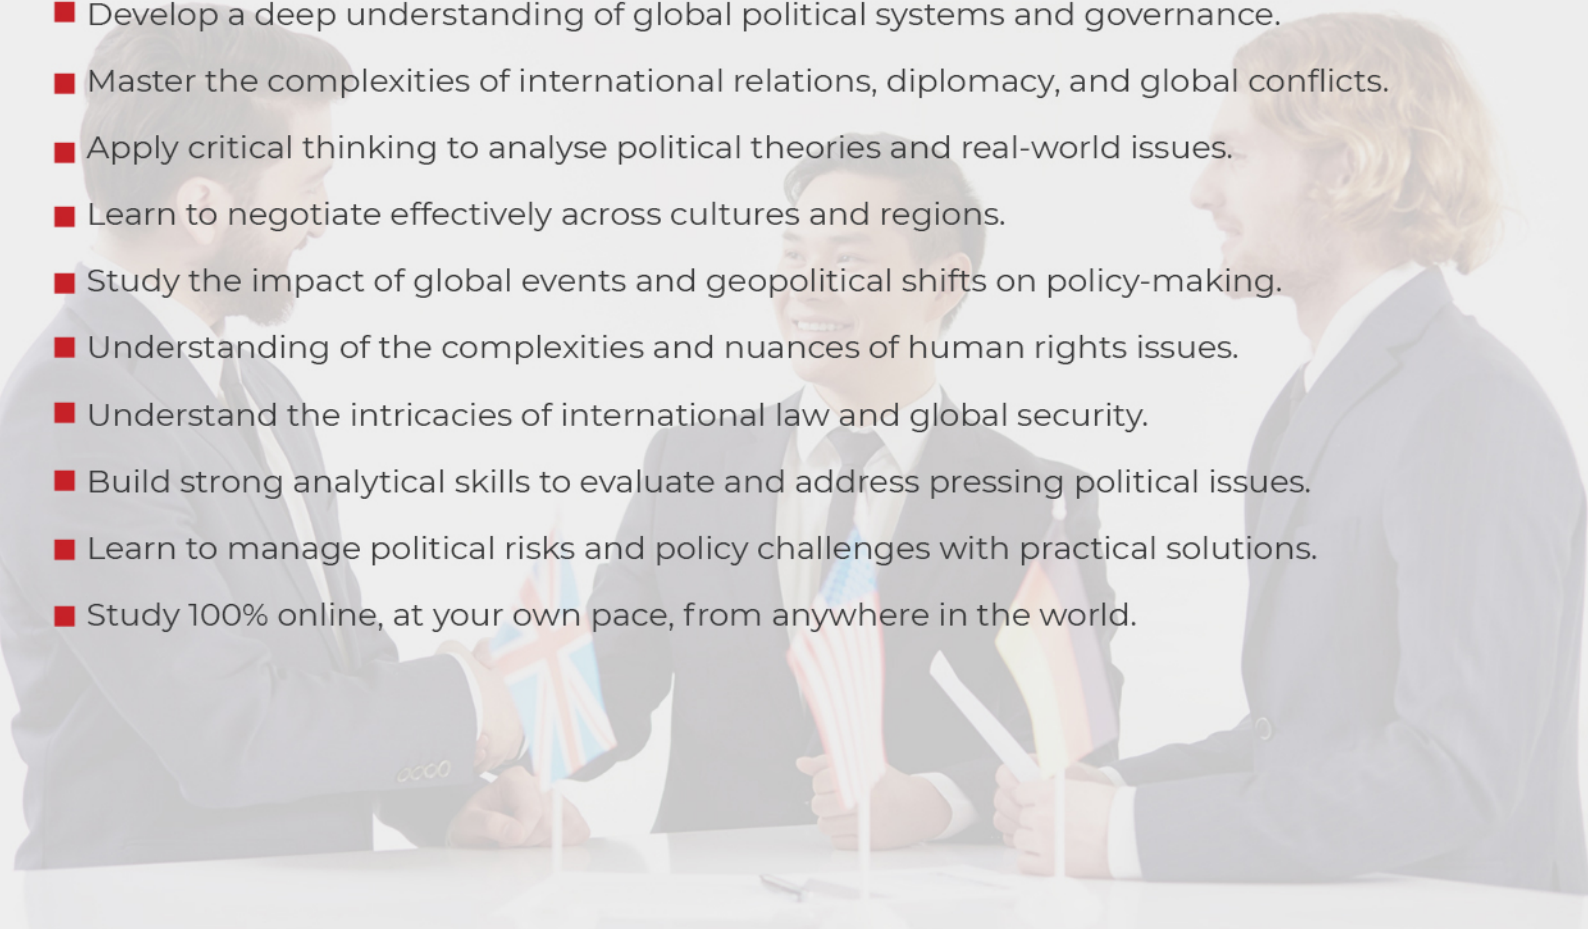

Master global diplomacy, strategic governance, and political insight with our Master of Social Sciences in Political Science and International Relations, where theory meets real-world impact to shape future leaders.

In the current dynamic world, with global conflicts, intricate governance issues and political events and decisions that are difficult to predict, there has been a need for political science and international relations professionals to gain an in-depth understanding of strategic decision-making and global systems. In today's modern political environment, we need people who can think critically, negotiate interculturally, and have effective policies that cater to national as well as global issues. At East Bridge University, our program has been designed to equip candidates with a strong foundation in political theory and international diplomacy, while fostering leadership and analytical skills essential for solving real-world issues. A successful political strategist or diplomat can seamlessly blend deep theoretical knowledge with global awareness, practical insight, and ethical leadership to bring meaningful changes on a global stage.

WHY PURSUE A

Master of Social Sciences in Political Science and International Relations?

- Develop a deep understanding of global political systems and governance.
